TEMPLE ADAT ELOHIM

Bringing Reform Judaism to the Conejo Valley

January 2004

Dear Friends of Temple Adat Elohim;

The Moscow Male Jewish Choir, Hasidic Cappella, will be performing a concert of their diverse music and Choral repertoire at The Canyon Club, 28912 Roadside Drive, Agoura Hills on Sunday, March 21, 2004, at 4 pm.

This unique 22 male cantoral ensemble is coming from the main concert halls in Russia and Europe to perform music of Jewish Liturgical prayers, selected classical compositions, Russian, Yiddish and Israeli folk songs for the first time in the Los Angeles Area, thanks to Cantor Peter Halpern and Temple Adat Elohim, Thousand Oaks California.

The Moscow Male Jewish Choir Canyon Club Concert is going to be a significant historical, musical and cultural event for Temple Adat Elohim, the Southern California Jewish Community and the highly qualified musically educated audience attending since it is the only visit to Ventura County and Los Angeles Area. This is the first Concert Tour to the United States for Hasidic Cappella.

You have the opportunity to attend this entertaining program and support the future of The Moscow Male Jewish Choir's important music. Please select one of the Temple Adat Elohim's Patron Packages for this magnificent performance.
